

## **Group I: Regional Integration of Child Development Services**

**Meeting #3: Wednesday, October 13, 2010**

Skylight Conference Room, State Office Complex

### **AGENDA**

#### **1:00 Welcome and Agenda Review**

Review mandate and anticipated products for this group

Share Emerging Products

- Administrative Consolidation
- Shared vision
- Timeline for CIS Integration

#### **1:15 Solicit Response to Proposed Timeline for CIS Integration**

- CDD share proposed timeline for CIS
- get immediate reactions (first to five)
- stakeholders to share responses --CDD to take input
- create as "emerging products" CDD proposal and group responses

#### **1:45 Present Alternative Models**

- Share pros/cons of original proposal for administrative consolidation (Ann)
- Share alternative models to meet goals (Kim and Cynthia)

#### **2:15 Discuss alternatives in meeting shared goals (small group discussion)**

- What goals does the proposal address and what doesn't it address?
- For the ones it doesn't, what alternative strategies need to be developed?
- Are there alternatives that could meet the goals?

#### **Expected report out**

- Did you rule out any models?
- Did you pick any?
- Did you describe a hybrid?

#### **3:15 Share content of discussions and identify possible recommendations**

- Similarities/differences
- Do we have statements regarding agreement?
- How might we summarize discussion into an emerging product that reflects the work of the group?

#### **3:45 Conclusion/Wrap Up**

- What work remains to be done to complete the mandate of this group?
- Do we need to answer any of the original questions?
